Board Meeting

TUESDAY, JANUARY 9th at 7 pm
Bible + Hosted by Dr. David Nolland

Faith and the Enlightenment The Enlightenment was a period of dramatic transition away from absolute authority and fixed dogma to individual liberty, religious tolerance, and scientific progress. Reason began to replace “blind” faith, the individual to replace the community. What was gained and what lost in this transformation? You are invited to a coffeeshop meeting of some of the most important 17th and 18th century protagonists to discuss these developments.
