Celebrating our Diversity

African Buffet

Traditional African Dishes from

- * Cameroon
- * Kenya
- * Nigeria
- * South Africa

Sharing is one of the core values of fellowship. Some generous African ladies are happy to cook for you on this occasion of "Homecoming Sunday" to introduce an array of African cuisines to you.

Please bring with you, your family, friends, big appetite to enjoy together, mutual acceptance among us, get to know new faces, and experience God's love.

"Seeing the unseen: The goal is to build trust with us as individuals and as a congregation and provide great opportunities for our teams to invite their friends or other acquaintances." Pastor Gabor
